

2021 CME Live and Enduring Activities From the Education Committee

Activities Now Available on the CME Website

Human Trafficking—A Horrendous Reality

Released: 10/15/2019 Expiration: 10/14/2021 2.00 AMA PRA Category 1™

Activity Purpose: Human Trafficking is recognized as a form of “modern day slavery” and has been linked to multiple types of exploitation of victims from all ages, ethnicities, genders, nationalities, and sexual orientations. The activity content provides healthcare practitioners with an overview of human trafficking, opportunities to glimpse the life of human trafficking victims, tools to assess and identify potential human trafficking victims, available resources and national and state referral services.
