

Overview

Sunrise Gateway

Icon = To Do

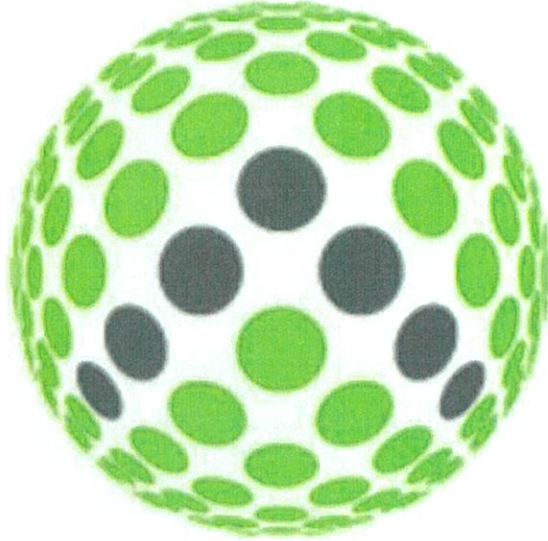

The screenshot shows the Sunrise Gateway interface. At the top, there is a navigation bar with the following items: File, Registration, View, GoTo, Actions, Preferences, Tools. Below this is a row of icons for: Patient, Patient Screen, Patient, Document, Summary, Medication, Review, Manager, Health, Signature, Print, Task, MuseWeb, Secure, Messaging, Info, Checking, Drug, Alert, Micromeds, NLM, Update, Epocrates, Need Log In. A red box highlights the 'Clinical Viewer' tab in the top right corner. Below the navigation bar is a row of tabs: Patient List, Orders, Results, Patient Info, Documents, Flowcharts, Clinical Summary, GE PACS, SRM Chart, My Schedule, HiDocs, Clinical Viewer. A red arrow points from the 'Clinical Viewer' tab to the 'Clinical Viewer' icon in the top navigation bar.

Allscripts
Sunrise Clinical Manager

Enter user ID & PW to access Sunrise Clinical Manager (Allscripts=**SCM**)

The image shows the login interface for Allscripts Sunrise Enterprise. The header is green and contains the text "Allscripts® Sunrise™ Enterprise Release 16.3". Below this is a white box with a "UsernamePassword" tab. Inside the box are two input fields: "User Name" and "Password", each with a small red icon to its right. Below the input fields is the text "This System should only be accessed by Authorized Users". At the bottom of the white box, it says "16.3 CU13 PR2 04-14-2018". At the very bottom of the screen, there is a "Need Help?" link, "Login" and "Cancel" buttons, and a status bar that says "Current Workgroup: PROD".
