The screenshot shows the 'Order Entry Worksheet - CHOCOLATE BROWNIES' interface. At the top, it displays patient information: 'CHOCOLATE BROWNIES', '3050-01 MICU', 'Admit Wrt: kg Daily Wrt: kg HT: cm', 'Allergy: No Known Allergies', 'Sanders, Michael', '9455202 / 9450067702', 'Sby (05-20-1960)', and 'Female'. Below this, there are fields for 'Requested By' (Me/Other), 'Date', 'Time', and 'Source'. A red box highlights the 'Specialty Specific Orders' dropdown menu, which is currently set to 'Standard'. Another red box highlights the 'EEG' option in the 'Types here to e' list. A third red box highlights the 'EEG (Electroencephalogram)' order in the 'Order' list. A red arrow points from the 'EEG' option in the 'Types here to e' list to the 'EEG (Electroencephalogram)' order in the 'Order' list, with the text 'Double click to open order set'. The 'Reason for Exam' field contains the text: 'Electroencephalogram - Reason for Exam: Assess Seizure Control Is Pregnant No Routine Requested Date: 03-02-2021'. At the bottom, there are buttons for 'Submit Order(s) for CHOCOLATE BROWNIES', 'Hide Worksheet', 'Cancel', and 'Help'.

View Order History

Right click on Order > View > History > Status

The screenshot shows a medical order management interface. A right-click context menu is open over an order entry. The menu options include: Activate, Add Specimen, Approve/Verify, Attach Document, Complete, Copy/Reorder, Discontinue/Cancel, Discontinue/Reorder, Extend Stop Date, Mark as Reviewed, Modify Order, Modify Order Set, Print/Reprint Labels, Renew, Release/Manage Hold Orders, Rx Generate Task, Sign, and View. The 'View' option is highlighted with a red box. Below the menu, a table shows order details for 'gabapentin Oral' with columns for Order Date, Status, Stop Date, and Entry.

Order Date	Status	Stop Date	Entry
05-16-2018 07:52	Discontinued	05-16-2018 17:44	05-17:55
05-16-2018	Active	11-12-2018	05-17:55

Order History

The screenshot shows the 'Order Status History' window for the order 'gabapentin Oral'. The window displays 'Current Order Information' and a table of order history. The table has columns for ID, Function, Sent To Sign, When, Who Entered, Who Requested, Source, and New Status. A red box highlights the 'Function' column.
