Activities Now Available on the CME Website

DEA MATE Curriculum

Released: 07/28/2023 Expiration: 07/27/2026 8.00 AMA PRA Category 1™

Activity Purpose: According to Substance Abuse and Mental Health Services Administration (SAMHSA) the purpose of the Medication Access and Training Expansion (MATE) Act is to enable DEA-registered practitioners to "screen more widely for substance use disorders, treat pain appropriately, prevent substance misuse, and engage people in life-saving interventions". The purpose of this CME activity is to provide medical practitioners with the necessary skills to evaluate and care for patients with addictive illness, including patients with concurrent pain and mental health issues.

Domestic Violence: An Ongoing Population Concern

Released: 01/12/2022 Expiration: 1/11/2025 2.00 AMA PRA Category 1™

Activity Purpose: National studies conducted by the Centers for Disease Control and Prevention and many other government agencies have declared domestic violence a public health concern. Florida State has determined that domestic violence continues to be a public health concern and requires continuing medical education for all healthcare professionals on the topic of domestic violence.

Human Trafficking – A Horrific Reality

Released: 6/13/2024 Expiration: 6/11/2026 2.00 AMA PRA Category 1™

Activity Purpose: Human Trafficking is recognized as a form of "modern day slavery" and has been linked to multiple types of exploitation of victims from all ages, ethnicities, genders, nationalities, and sexual orientations. The activity content provides healthcare practitioners with an overview of human trafficking, opportunities to glimpse the life of human trafficking victims, tools to assess and identify potential human trafficking victims, available resources and national and state referral services. This course fulfills the Florida Legislative licensing requirement for healthcare practitioners.
