

Welcome to  
UF Health St. Johns  
and  
UF Health Flagler Hospital

# UF Health Flagler Hospital: Overview

UF Health Flagler Hospital, formerly known as Flagler Hospital, is a part of UF Health St. Johns region under the University of Florida's academic health center, with a goal to improve the health of the region by combining innovative health care opportunities with a longstanding legacy of supporting the community. UF Health Flagler Hospital has a distinguished 130-year legacy of caring for the community. The 335 bed hospital has been named among America's 100 Best hospitals out of nearly 4,500 nationwide. UF Health Flagler Hospital has earned national accreditation for many services including: the Joint Commission accreditation for the Orthopaedic Surgery Center, accreditation from the American College of Surgeons' Commission on Cancer for the Cancer Center, accreditation by MBSAQIP for the Bariatric Surgery Center and accreditation by the American Academy of Sleep Medicine for the Sleep Disorder Center.
